At BetaPlus Group Solutions our primary objective is to achieve the maximum investible portion of our clients Employee Benefit Total Funding, at both company and employee level. Through reducing unnecessary or excess costs and ensuring that we utilize all available funds through this process, we commit to delivering the best possible return on our client's investment, thereby facilitating the success of our clients business, and the optimal retirement ability of our clients employees.

GJB TILING

Most of my work comes from recommendation and word of mouth. The customers that I've worked for like the fact that it's me that carries out all of the tiling, and I don't subcontract other tilers to do my work.

Web Designing & Development

We take great pride in producing exceptional web sites that effectively combine technology and design. The majority of websites that we build are created with a modern, professional style in mind. Every site is built from the ground up (we do not use templates), making each project unique, allowing you the opportunity to attract the attention it deserves.

- 🕒 **Simple yet Unique** : Our designs offer an attractive, intuitive interface with a logical and easy to use navigation layout.
- 🕒 **Increased Visibility** : We design website with intelligence that creates your specific business identity and makes your business stand out.
- 🕒 **Customer Oriented** : We strive to ensure that each and every need of our customer is met or exceeded.

Android Apps Development

Despite of making a market presence quite late, Android operating system is fast catching up the popularity of smartphone devices. It is the most popular operating system for mobile application development and the best part is that it is open source. Hence, it is growing every day and we are proud participants of this fastest growing technology.

Our Android app development team is skilled at developing for Android Devices including phones, tablets and phablets. We optimize the design of the application based on your requirement so that the user experience in the application is personalized and has a minimal learning curve.

LET ME DRIVE

We are a team of enthusiasts, artists, explorers, problem solvers and passionate engineers; engineers who do not fix machines rather believe in fixing the hiccups in the lifestyle of people. And, thus we selected the domain everybody seeks either for enjoyment or refreshment or for enlightenment. Yes, we could feel your pain while travelling in a Chauffeur driven Car and so we crafted the Concept: Let Me Drive.

Be it a date, a corporate tour, a weekend getaway, a family vacation, your honeymoon trip or as small as picking or dropping someone from airport, railway station or the bus terminal; we have a car for every occasion. If you are a passionate driver you will never have to sit behind when someone else is driving or if you are in a big group or love making friends while in a journey, you will really enjoy the one extra space that you will get. And needless to say that you will have all the privacy and enjoy your company to the fullest.

So why wait, book the cheapest Self Drive Car from the safe, easily accessible and reliable medium to rent Self-Drive Cars in Delhi NCR the very next time you are planning for a drive.

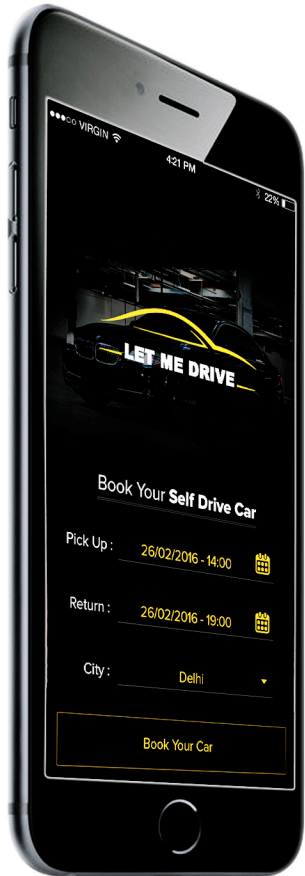

We leave no stone unturned in ensuring customer's Safety. Every vehicle is checked thoroughly before handing it over to the customer. The cars are equipped with infotainment to add the extra comfort and safety of a journey. Let Me Drive ensures that the Cars are given in the hands of responsible customers. But, remember Responsibility is the price of freedom and so your safety is in your hands.

Say Let Me Drive and take the driving seat in your journey!
